AFFIDAVIT - PLEASE READ CAREFULLY

Application is hereby made to obtain a permit to do work and installation as indicated. I, the OWNER of the property, certify that all work will be performed to meet the standards of all laws regarding construction in the Village of Pinecrest. I understand that separate permits are required for ELECTRICAL, PLUMBING, POOL, EXTERIOR DOOR, MECHANICAL, WINDOW, FENCE, DRIVEWAY, ROOFING, SHUTTERS and SIGNS and there may be additional permits required from other governmental agencies.

I, the OWNER of the property, have disclosed all information related to any work at the property performed in the prior five (5) years to the Building Official. Further, I am fully aware that if the cumulative cost of work to my home or business under this and any other permit during the five (5) year period beginning on the date of the first improvement or repair to the structure subsequent to January 1, 2015 exceeds fifty percent (50%) of the market value of the structure, the entire structure must meet the present federal flood criteria for finished floor elevation plus 1 foot. I am also fully aware that if the work area to my home or business under this and any other permit equals or exceeds fifty percent (50%) of the aggregate area of the structure, then the entire structure must conform to the current code requirements of the Florida Building Code.

I, the OWNER of the property, understand that a permit application is subject to denial and a validated permit or permit card is subject to revocation or modification based upon applicable deeds, covenants, declarations, easements and any other legal restriction. By issuing a permit, the Village makes no representation as to the existence or validity of any property restriction.

WARNING TO OWNER: Your failure to record a NOTICE OF COMMENCEMENT may result in you paying twice for improvements to your property. If you are spending more than \$2,500 or intend to obtain financing, you may wish to consult with your attorney or lender before recording your Notice of Commencement. The Notice of Commencement must be recorded at: 22 N.W. 1st Street, 1st floor (305) 275-1155 extension 6. Once recorded, the Notice of Commencement must be POSTED AT THE JOB SITE in accordance with Section 713.35 of Florida Statutes.
