Date of Comments **12-21-2024** (First Round)

Reviewer: **David Mendez**

1. Sheet 301 : clarify the proposed pavement widening - is it the length of the property or only in front of the d/w ?
[Refer to clarification from Civil Engineer.](#)
2. Any a/c pavement in the ROW is to be SP-9.5.
[We are not using any pavement on right of way we are using open cel pavers as per comment from Zoning.](#)

[Please refer to Revision #1 Sheet A-100](#)
3. Sections B-B: provide elevations at the PL and the elevation of the low point on site.
Recommend to exaggerate the vertical scale to make the profile more clear.
[Refer to revisions from Civil Engineer.](#)

The following sheets have been revised and submitted in order to satisfy the above-mentioned Public Works comments:
