RE: 7800 SW 110TH ST

To whom it may concern,

Effective 01/02/2025 , FPL has removed the meter and disconnected the FPL service wire to the above referenced address. However, before demolishing the structure, you should have the premises checked by a qualified individual to assure the electricity is not being supplied to the structure from any possible source.

If there are any questions, or if we may be of further assistance in this matter, please contact us via email at **DCP-Group@fpl.com**.

Sincerely,
