

PERMIT N° BL2026-1135 / DECORATIVE LOUVERS

BUILDING REVIEW / ORESTES GARCIA

9/24/2026 - INCOMPLETE

1. Previous building review comment still needs to be resolved: DOORS REQUIRE SEPARATE PRODUCT APPROVAL Please remove all reference to doors 102 and 103 on sheet A-300 or submit corresponding Product Approvals and include doors in the permit application.

RESPONSE.- The doors are covered under a separate permit (BL2026-0876), which has already been finalized.

The subject permit, BL2026-1135, is limited exclusively to the Decorative Louvers.

Accordingly, all references to Doors 102 and 103 that were inadvertently included on Sheet A-300 have been removed. The revised Sheet A-300 is resubmitted herewith for review and approval.

2. Highlight all components pertinent to this installation on NOA.

RESPONSE.- The applicable NOA is attached, with the installation components highlighted for reference.
