TREE REMOVAL/RELOCATION/PRUNING PERMIT APPLICATION

PERMIT # _____ **MASTER PERMIT# (IF APPLICABLE)** BL 2023-1640

APPLICATION

NOTE: Tree removal/relocation permit is required for all trees/palms to be removed or relocated. In addition, whenever there is proposed construction, which involves the removal or relocation of tree(s), a tree removal/relocation permit must be obtained prior to the issuance of the building permit for the proposed construction. A FINAL INSPECTION IS REQUIRED.

The PRUNING of any tree within the COMMERCIAL ZONING DISCTRICT shall REQUIRE a permit from the Village of Pinecrest.

I hereby make application for a permit to remove/relocate/pruning tree(s) located on the above-described property. (Attach site plan/survey as appropriate)

Reason for proposed removal/relocation/pruning:

New 2-Story SFR

Types of trees/palms to be removed/relocated/pruned (provide tree/palm number if applicable):

See plans (Remove 16 palms/trees)

I understand that if a permit is issued, I am responsible for the supervision and completion of said tree removal/relocation in accordance with the approved plans and specifications, and in compliance with all applicable codes and ordinances of the Village of Pinecrest. I further understand that I am responsible for and guarantee the survival of all trees relocated or planted in replacement of any trees removed pursuant to this application, and that I will REQUEST A FINAL INSPECTION once the removal and/or replacement (if applicable) is completed

All pruning shall be completed in compliance with the standards of the Village of Pinecrest and ANSI-A300 pruning standards.
