COMMENT RESPONSES 08-13-2024:

(a) We found that the unidentified trees were actually 103, mentioned, and 104, not 105 which is actually a Crape Myrtle. Both trees 103 and 104 have been updated on the plan.

(b) Has been added to the plan, see tree 107.

(c) Has been added to the plan, see tree 124.

(d) Only 1 Tropical Almond was found (see tree 109).

(e) Has been located & added to plan, see tree 114.

(f) 4 Mangoes were located and have been added to the plan, see tree symbol 111 & 112 (both Mangoes under regulation) and 108 &113 (Mango).

(g) See tree symbol 110.

(h) Has been added to plan, see tree symbols 123, 124, and 125. Please note that tree 124 is a Ficus and not a Tropical Almond as mentioned in the comments.

(i) Has been added to plan, see tree symbol 119.

Additional Changes:

Additional tree added not mentioned on comments but identified on site:

-Tree symbol 115, Mango

-Tree symbol 116, Avocado

-Tree symbol 116, Mango

-Tree symbol 117, Mango

-Tree symbol 118, Alexander Palm

-Tree 20A, previously labeled as a Solitaire Palm has been corrected as a Royal Palm

Sincerely,

Walk: Landscape Architecture + Urban Design Corp.
