RESPONSE SHEET - REVISION 1

Project:
Linsdorf LLC - Residence
7800 SW 110th St
Pinecrest, FL

Public Works

1. Plans do not indicate the location of the construction gates nor the temporary construction entrance. Plans updated to show construction gates and temporary entrance. On A1.0.
2. The limits of the ballast rock must be clearly shown and the temporary construction entrance detail included with the next submittal. See plan on A1.0 for ballast rock location and limits.

Zoning

1. Mark on the plan that the existing chain link fence shall have dark green screen attached to it and note it on all 4 sides of the property. Notes added in boxes on plan and notes added on each side of the property fences. On A1.0.
2. Must show all tree barriers around (every existing tree and palms on the property not just the ones you are keeping. Tree barriers added to all trees per the demo plan. On A1.0.
