Project:  
Linsdorf LLC - Residence  
7800 SW 110th St  
Pinecrest, FL

### Building

1. Sheet D1.0 shows two entrances and Sheet A1.0 shows 1. we need to confirm which is it ? Demolition plan D-1 previously submitted to this process indicating two entrances and in the new A1.0 only one, however in the demolition process approved by PW the demolition drawing is also different. please make both matches.  
**The updated A1.0 matches the approved demo D! Sheet which shows one entry on the west (left) side.**
2. The Temporary Construction Entrance Detail needs to be included in the submittal or be made part of one of the sheets. (see attached to be included). **The detail is now located on the updated A1.0 sheet**
