RE: 6825 SW 132nd ST
Village of Pinecrest, Florida.

Zoning

1. Please correct K to be black ironwood not black olive in table

Response:

Please see shts. L-101 & L-102. Rev. #3. Previous editing error.

2. CD was noted in last review to not be along west side of property to be located elsewhere on the property and must mark a 15 ft separation between all new trees.

Response:

The 4 CDs along the west PL have been revised to be along the north PL. They are located 22.5' oc. The dimensions for all of the proposed trees, in the rear yard area have been dimensioned. The new trees in the front & front side yards are not located in relation to other new trees. See sht. L-101. Rev. #3.
