

TREE REMOVAL PERMIT - PAT JENISSE

8/14/2025 3:12:35 PM

COMMENTS - REV – 4 September 15, 2025

1. Please submit on a separate sheet and upload to this permit application, each tree number to be removed and each tree number to be relocated

DONE - PLEASE SEE TD-1 REV-4

2. Please do not include trees that are not on owner's property or within the property's right of way

DONE - REMOVED FROM LIST. PLEASE SEE LP-1 REV-4

3. Landscape plan must have the following:

- landscape plan should show only the relocated position of all trees relocated and should not show any of the removed trees

DONE - PLEASE SEE LP-1 REV-4

- L\_1 must have landscape legend for all remaining trees with tree number, name, height, diameter and canopy and have the new planting legend on this plan and remove all other information to another sheets as it is important to have all landscape information on the landscape sheet

DONE - PLEASE SEE LP-1 REV-4

- mark all setbacks, FFE, width of driveway at property line and at street edge

DONE - PLEASE SEE SP-1 REV-4

3. Deficient of 6078 square feet of canopy add additional trees or may select to contribute to Village tree fund of \$400 per 500 square feet or portion thereof.

DONE – UNDER REVIEW BY PAT.
