

CGC #1511167

To whom it may concern,

My company is currently working at the following address: **10300 SW 70th Avenue, Pinecrest, Florida 33156**. Zoning review for **permit #SET2025-0016** stated that property work needs to have a concrete slab of 8.9 feet and survey has it at 7.5 feet. There is currently no concrete slab because plumbing still needs to be done. Once plumbing is installed, then the 8.9 foot concrete slab will be installed.

Thank you,

Juan Carlos Navarro

President
